

Be Saving

A Single Hub for All Your Employee Benefits & Perks

Stop struggling with fragmented systems. Be Saving provides a single, unified hub for employees to access, and for you to manage, existing benefits alongside exclusive discounts, savings, salary sacrifice, and net-deduction schemes. Boost satisfaction, retention, and well-being while reducing your administrative load.

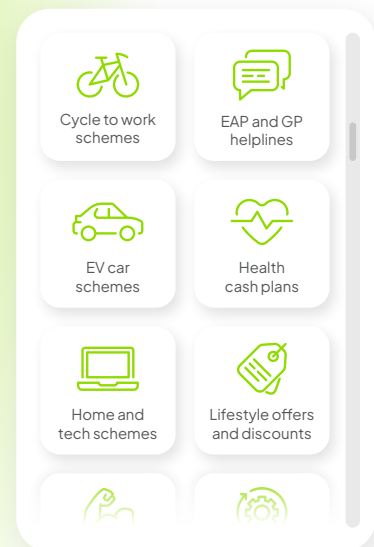

70%

of employees are more likely to stay with a company that offers a well-structured benefits package.

HERE ARE JUST A FEW OF THE BENEFITS & PERKS WE OFFER

terryberry

Why Terryberry?

A SEAMLESS, CENTRAL HUB

Consolidate all your benefits and perks into one customisable platform with SSO (single sign-on). Give office and frontline employees instant access on any device, boosting engagement while reducing HR admin.

VALUABLE INSIGHTS & TIME SAVINGS FOR HR

Minimise everyday admin with a single benefits hub and gain valuable dashboard analytics. Track usage, uptake, popular discounts, and total employee savings to better understand your workforce's loyalty and well-being.

OFFERS & DISCOUNTS

Help your employees save up to £3000 per year on everyday spending with access to exclusive offers and discounts across top UK retailers, supermarkets, and restaurants.

SALARY SACRIFICE SCHEMES

Maximise employee purchasing power by providing access to tax-efficient salary sacrifice and net-deduction schemes with some of the UK's leading providers.

A WELL-BEING CENTRE

Support your team's mental, physical, and financial health with expert-led content, guides, and practical tools.

AN ALL-IN-ONE BENEFITS & RECOGNITION PLATFORM

Integrate Be Saving with our Be Recognised employee recognition solution. Combine discounts and salary sacrifice schemes with social recognition, milestone celebrations, personalised rewards, and reward vouchers, all under one roof, with one sign-on.

Attracting and retaining the best talent takes more than a standard salary package. Speak to one of our experts to see how our benefits programme could simplify your admin while increasing retention at your organisation.
